SUBJECT.

Submitting the information called for in connection with certain Travellers Bungalows & proposing certain changes in the Establishments of Travellers' Bungalows.

References—(to be entered only in the Dewan's Office)

The rates of halts made and fees collected in Gandasi are much smaller than those of the Hole Narsipur, but the retention in the former of the Kotwal is recommended, the services of Kotwal in the latter being done away with. The Dy Comr's recommendation stand as below:-

	No. of servants	Fees collected	
Gandasi	2	6-8-0	
Hole Narsipur	1	13-4-0	Kotwal to be done away with
Banavar	2	9-12-0	

If, as proposed by the Dy Comr, the Kotwal at Hole Narsipur Bungalo be done away with, there will be only one servant, viz Sweeper, although it is most resented to by travellers. Conceding the smallness of halts at Gandasi and Banavar, one of the servants in the latter place and Kotwal in the former, may, I beg to suggest be done away with & the duty of supplying dak bullocks may be entrusted to village servants.

Sir,

Adverting to Government Proceedings
No: 7749 / F 73-94 dated 17th November last calling for particulars
in connection with certain III class Travellers'
Bungalows in the District, I have the honor to
submit that Gandasi is on the road side
to Arasikere from Hassan and also from
Channarayapatna and it is necessary to retain
the services of the Kotwal, as there is no other
Government official who could attend to the
requirements of the Travellers especially in the
matter of procuring dâk bullocks as there
will almost be requisitions every day. In case
the business of supplying dâk bullocks could
be

be entrusted to the Police Duffedar Stationed here, the Services of the Kotwal could be dispensed with. But this seems inexpedient.

Holeharsipur being the Head Quarters of the Taluk, the Sheikdar or any other Taluk Official could attend to the requirements of the Travellers, who will not be many and therefore the retention of the Kotwal of the Bungalow here may be considered superfluous. His Services will be dispensed with from this Bungalow by other arrangements.

In Banawar Traveller's Bungalow and in the Rangabharlu's memorial Chuttrum at Arsikere, there are at present two Servants and the retention of both of them is very necessary as the Loti could not be allowed to sweep the premises and the Dundee to do the duties of the Loti. This has been approved by the District Fund Board in the meeting held on the 9th January last - vide Resolution III of the Proceedings, a copy of which is submitted with this Office No: 614 dated 3rd Ultimo. It may therefore be seen that the retention of both

both the Servants is not superfluous.

I beg to submit herewith a list shewing the halts made and fees collected in these Bungalows as called for.

By the above arrangement the pay of the Kotwal in Hole Narsipur Bungalow will be saved or in other words will be available towards the Salary of the Kotwal proposed to be kept at Dudda in my letter No: 761/5 dated 13th Instant.

I have addressed the Comptroller as regards the adjustment of the charges of Kotwals by debit to District Funds and credit to Provincial Funds as instructed.

I have the honor to be
Sir
Your most obedient Servant.
